

LEAD WITH LOVE

**Finding connection
through the Spirit
of the Horse**

Enter into the heart of Equus for a daylong experience of horse energy, art fun, and healing potential. This weekend is for anyone who has horses, wants horses, dreams of horses, loves horses, or is curious about horses. Come for one or both days. Only openness to the experience of connection with Equus as a healing partner on your life path is needed

No horse, art, or energy healing experience necessary

make friends – create art – connect with horses - feed your spirit

Facilitated by Stacy Mitchell, multi-modality energy healer
